Product Description

Marvel Tank - 140 Components

What happens when you combine the wonder of military equipment with the refined aesthetics of steampunk? Marvel Tank model from TimeForMachine appeared at the intersection of history and art! Inspired by real models from World War I, this stylization captivates not only with its magnetic brutality, but also with its light, elegant design. Cold shine of the chains, flawless conciseness of the military style: the harmony of form and content just looks so. The model works with a mechanical spring. Thanks to the self-propelled mechanism armored chains can overcome all obstacles in their path.

Warning! Not for children under 3 years.

- Model size: 14 x 6 x 5 cm
- Number of components: 140 pcs.
- Instructions in: English, German, Spanish, French
