### Product Description

#### Amber Box - 189 Components

Ugears amber box is the kit for a picture-perfect and fully functional jewelry box. There are two similar models of this type in the offer. However, this amber box is additionally decorated with real natural amber stones, which make it especially attractive.

Upon delivery, the amber box consists of 189 components. It is possible to assemble it yourself in about 4 hours of construction time. Especially collectors will also have a lot of fun with it. This jewelry box has assembled later a size of 17.5 x 14 x 10 cm. When finished, it can be used just like any other jewelry box to store personal jewelry. When opened, it reveals many different boxes that help to sort the jewelry. Just as easy as opening, this box can also be closed and locked again.

Just like many of the models of Ugears, this beautiful amber-studded box is ideal both for collectors personally, but also as a gift idea.

Warning! Not for children under 3 years.
