Product Description

Das kleine Gespenst - Kinderspiel (DE), for 2-4 players, ages 5+

Before the witching hour is over, the little ghost wants as many of his own as possible Visit friends. But that's not that easy, because the right doors have to be opened first! The players help the ghost and try to find the right doors. A good memory is required here! In the game, the children lead the ghost to the doors and can open them with the help of a small magnet.

Once the right door has been found, the children can help the little ghost with one of his favorite activities as a reward: the rumble along the cannon balls. However, this requires skill. Who will be the first to complete the tasks before the witching hour runs out? A game for the whole family based on the children's book classic Das kleine Gespenst by Otfried Preußler.
