Product Description

Aliens - expansion for: Wildes Weltall (DE), for 1-5 players, ages 10+

A new species has been discovered! An Imperial research ship has discovered an unknown species on a new planet! These aliens have sophisticated technology and only feed on minerals. In order to include the peaceful galaxy inhabitants in your crew and benefit from their abilities, you need one thing above all: the quartz crystals they so much seek after! Wildes Weltall: Aliens introduces a new kind of crew into the game: Aliens. You add them to your crew in a similar way to the other crew cards, with one difference: To recruit aliens, you have to spend quartz crystals. You can get them via the new planet and the new crew cards from this expansion.

The base game is required to play the expansion. Wildes Weltall: Aliens is an expansion for Wildes Weltall.
