Product Description

Make'n Break Junior, children's game (DE), for 2-5 players, ages 5+

To the stones - set - go! In Make 'n' Break Junior, all 2-5 builders play at the same time. Everyone has their own building blocks and tries to be the first to erect the given structure. Six stones in one color are available for each player. At the start of the game, the game master draws a building card that shows what the result should look like. A great challenge for all small builders from 5 years. The fastest player in each round receives a prize chip. The winner is the one who has collected ten winning chips.

If older players play against younger players, there are various ways of balancing out the different levels of development. Either the younger ones play with the easier cards with a yellow border and the older ones choose the more difficult cards with a blue border. Or the older children only build with one hand and have a harder time that way. The junior version of the Ravensburger classic is therefore a fast-paced and entertaining game in every round. Also ideal as a birthday or Christmas present.

Warning! Not suitable for children under 36 months.
