### Product Description

Activity Club Edition Travel - Community game (DE), for 3-16 players, ages 18+

Travel edition of the classic Activity Original. The fun with hands and feet. The classic party fun. Activity is a combination of creative game elements. The point is to paraphrase, represent or draw terms and, in return, to guess the words transmitted in this way. There are no limits to the creativity of the players when performing, only time is of the essence! Hands and feet can be used equally. The smaller version without a game plan is perfect for on the go! Terms must be drawn, mimeographed or circumscribed. A special cube determines which concept is to be conveyed on the card and how. And then creativity is required! 6 different terms on each card With this mini edition, you don't have to forego having fun with Activity (R) even on vacation. Every excursion with the popular, communicative guessing game by the team of authors, Catty and Führer, is sure to be an experience. Fun is guaranteed!
