Product Description

Word Fever - Quiz game (DE), for 2-4 players, ages 7+

The challenge is clear: One topic. A letter. And a word that goes with it. Find a solution quickly and be the first to hit the buzzer. The faster you answer, the more points you can win. But be careful: the others are also chasing after matching words and lots of victory points! Name something that didn't exist 100 years ago and that starts with an I. The countdown is on and the race for the right word is on. Islands ... no ... hedgehogs ... no internet! Press the button and call the correct answer and the victory points are yours.
