Product Description

Drunk, Stoned or Stupid, Kartenspiel (DE), for 4+ players, ages 18+

Drunk Stoned or Stupid is a highly explosive party game in which you learn a lot about the quirks of your fellow players and many well-kept secrets. In each round one player takes on the role of the judge, draws a card and reads the statement on it aloud. For example, the statement could be "Keeps everything possible because it could be useful".

All other players consider who they think the card is best for and explain why. After everyone has justified their choice, the judge decides who gets the card. As soon as someone has seven cards in front of them, the game ends and this player is the loser. There are simply no winners at Drunk, Stoned or Stupid.

Warning! Not suitable for children under 36 months. Legal minimum age: 18 years

- Number of players: 4 +
