Product Description

Story Cubes - Dice game, for 1-12 player, from 6 years

Discover Rory's Story Cubes®: Classic with nine dice and classic themes. You roll the dice - and nine symbols appear. Use them to tell your story!

Nothing is as easy as telling a story - especially with Rory's Story Cubes®. Just take all nine cubes (or as many as you'd like), give them a good shake, and throw them on the table in front of you. Then, with "Once upon a time..." begin your story with the first symbol that catches your eye. The goal is to tell a story that connects all the new symbols rolled. Remember - there are no wrong ideas. The meanings of the symbols are left open on purpose. The castle can stand for a castle, but also for a princess or someone who is very secretive. At the same time, there are dozens of game variants for the award-winning six-siders.

Attention! Not suitable for children under 36 months. Legal minimum age: 6, legal maximum age: 99

- Number of players: 1-12
