Product Description

Spicy Rules - for 2-6 players, from 10 years (DE Edition)

Spicy is a bluffing card game for 2-6 players. The cards are played face down, so you can tell a fib when you announce your card.

But this clever card game is not just about bluffing convincingly. You can almost always play a card that is at least half right if you play it skillfully from your hand. It's a matter of thinking tactically about which card you can get away with.

In addition to the actual game, Spicy contains 6 variant cards, but even without these a high replay appeal is guaranteed.

The cards are lovingly decorated with a total of 40 unique illustrations. In addition, not only the game box shines in chic metallic gold, but also the card backs are decorated with a gold-colored special print.

Attention! Not suitable for children under 36 months. Legal minimum age: 10, legal maximum age: 99
