Product Description

Expedition Leaders - Board Game, for 1-4 Players, from 12 years (DE Expansion for Die Verlorenen Ruinen von Arnak)

When we first reached Arnak, we didn't know what to expect. We were like wide-eyed children exploring with childlike curiosity. We discovered wondrous ruins and made friends with wild beasts and not-so-wild creatures!

And then... we returned home to share our discoveries with the world. Others. Of course, others followed in our footsteps, people with new ideas and new approaches to the exploration we had begun. And I must say, I'm glad we did; because there are still so many new things to explore.

The Lost Ruins of Arnak: Expedition Leadership takes the expedition team back to the island of Arnak under the direction of one of six unique leaders, with special abilities, skills and starting decks.

The expansion to the jury-nominated "Kennerspiel des Jahres 2021" adventure game The Lost Ruins of Arnak includes new abilities for the unique leaders, which brings a new element of asymmetry. In addition, the expansion includes alternative research paths which bring both variety and greater challenge. New item and artifact cards allow for novel combinations and synergies.

The Lost Ruins of Arnak: Expeditionary Leadership expands on the award-winning board game's familiar combinations of worker placement, deckbuilding, and resource management as players attempt to uncover the secrets of the lost island.
