Product Description

Ja, Herr und Meister! (Red Edition) - Card Game, for 4-16 players, from 8 years (DE Edition)

Beware the wrath of the Dark Lord!

Once again you and your friends have returned to the dreaded Dark Master's Tower - from yet another failed mission. His Excellency will not be pleased! What can you bring forward to save your pathetic skin? Will he believe you that it was not your fault, but that of one of your best, but absolutely incompetent buddies?

Yes, Lord and Master! is a fun, humorous party game with a fantasy theme. All you need is a little bit of improvisation and you're ready to go. The game is easy to learn and play. The servants of Rigor Mortis return home after a failed mission and have to justify themselves to their lord and master. For this they think up the most impossible stories. They try to blame their fellow sufferers for the failure.

Each basic set (Red and Green) of Yes, Lord and Master! can be played separately, or they can be combined into one big game with a lot of funny and beautiful cards.

The game additionally includes the rules of Yes, My Lord!, a new game variant of Yes, Lord and Master!
