Product Description

Flash Point: Ehre und Pflicht - Board Game, Ages 10+ (DE Expansion)

Are you ready to stand up for honor & duty?

The Flash Point: Honor & Duty expansion to the base game Flash Point: Blazing Inferno, takes you to two fires at major transportation facilities. The special rules for the subway station due to the difficult terrain and the airfield due to the unstable aircraft make the scenario even more grueling for the firefighters. Thus, moving around turns out to be more difficult than before. The fire monitor and the foam marker additionally change the vehicle action on the airfield.

Prevent a major disaster!
