Product Description

Arche Opti Mix - Card game, for 3-5 players, from 8 years (DE Edition)

Noah is desperately tugging at his beard. As it seems, his project is hard pressed for time. More and more animals are gathering in front of his ark. Inside the ship, a lot of lightweight walls are still missing. And the local weather forecast has announced deluge.

Well, there's this handful of people to help him, but they look like gamblers and gamblers!

And then they bring in animals that were never mentioned in the first place. It's true that the helpers take care that the precious cargo doesn't hurt itself. But whether it was so clever to load 2 loads of grain to this Tyranno thingy, just with the argument that there was room and that he only ate meat? Well, yes, if only the ark doesn't capsize shortly before launching...
