Product Description

Ursuppe: Frisch abgeschmeckt - Board Game, Ages 12+ (DE Expansion)

This expansion offers all owners of Ursuppe completely new possibilities. Additional amoebae, nutrients and genes now allow you to explore evolution with 5 or 6 strains of amoebae.

But that's not all! URSUPPE - FRISCH ABGESCHMECKT contains 26 new genes and thus opens up countless new strategies. What chances do you think amoebae have of exploding when they die, sneaking up to attack unseen, or snacking with their proboscis from neighboring fields? These new genes are suitable for 3, 4, 5 and 6 players.

In short, this little box offers URSUPPE fans two expansions at once!

The main game Ursuppe is required to play it!
