Product Description

Vampire: Vendetta - Card game, for 3-6 players, from 14 years (DE Edition)

Nosferatu, Gangrel, Toreador ... the clans of vampires could not be more different, but they all have one goal: to seize power over Chicago. The means of choice: control over the most influential people in the city, and thus control over the human herd. Because the herd means blood and blood means power.

Vendetta is an area control game full of bluffing and betrayal, where you fight for influence and power as immortal vampires! Use cards and blood to gain control of influential people, feed off them and make them your servants; your goal is to gain the most influence over three ages. In the course of the battle, which stretches over centuries, you will learn the powers and abilities of your opponents. And they yours! However, you can never know what new tricks your opponents have added to their arsenal since the last encounter ... Attention! Not suitable for children under 36 months. Legal minimum age: 14, legal maximum age: 99
