Product Description

Stämme und Prophezeiungen - Board game, for 2-6 players, from 13 years (DE Expansion for Tzolkin)

Stormy times cast their shadow over the great Mayan civilization. Food is scarce and the gods seem to have turned their backs on your people. Will you succeed in leading your tribe through the chaos?

With this expansion, Tzolkin becomes even more varied. The new game mechanics can be used individually or in any combination, but only together with the base game Tzolkin - The Mayan Calendar.

- Choose which of the 13 tribal chiefs you want to be and gain a unique ability!
- Three prophecies open up to you, which you must prepare for in order to succeed. Again, there are 13 prophecies to choose from - 13 is just a mystical number!
- The expansion also includes new buildings and game material for an additional player.

Listen to the prophecies! For the wisest chiefs will heed the warnings, make plans and thus lead their tribes to even greater glory!

Attention! Not suitable for children under 36 months. Legal minimum age: 13, legal maximum age: 99

The main game is required!
