Product Description

Quill - A solo role play for letter writing (DE Edition)

Quill is a solo role-playing game of a different kind. Instead of stabbing goblins and stealing treasure, you write letters. Instead of attributes like strength or dexterity, Quill characters use penmanship, language and heart.

When you play Quill, you write real letters - with the aim of creating the best and most beautiful letter and thus triggering a benevolent response from the recipient. You pull words out of the inkwell that will inspire your letter. But be warned: If you roll the dice badly, your letter can fail completely.

If you're looking for a way to pass the time, Quill is the perfect RPG distraction and a game like no other.

Part of Dungeon World.

Attention! Not suitable for children under 36 months. Legal minimum age: 14, legal maximum age: 99
