Product Description

Sleeves for cards in japanese size: Clear - Perfect Fit, Toploader (100 pcs)

Clear front and clear back. Straight forward and un-obtrusive.

Perfect Fit sleeves provide improved card protection. These inner sleeves fit closely over cards, and fit inside all Dragon Shield Japanese Size Dragon Shields. Japanese size sleeves are made in a smaller size typical in Japanese card games also referred to as mini cards. Cards should be loaded into the Perfect Fit from the bottom and then slid into a regular Dragon Shield sleeve to maximize protection.

Attention! Not suitable for children under 36 months.
