Product Description

Outer Sleeves for cards in japanese size: Matte (60 pcs)

Clear front and clear matte back. Clean and simple.

Dragon Shield Outer Sleeves Matte provide an extra layer of protection for your sleeved cards and fit perfectly over all Dragon Shield Japanese Size Sleeves. Japanese size sleeves are made in a smaller size typical in Japanese card games also referred to as mini cards.

Prevent lower quality art sleeves from peeling and splitting by putting a Dragon Shield Outer Sleeve over your sleeved cards and get the well-known Dragon Shield shuffle-feel at the same time. Play with original game specific art sleeves or high value prize sleeves without risking damage to them. Outer Sleeves can also be used for triple-sleeving for even tougher protection. Use Dragon Shield Perfect Fit as the Inner Sleeve.

The sturdy cardboard box doubles as a simple deck box fitting 30 double-sleeved or 25 triple-sleeved cards. Every box has a label at the top of the box for personalization.

Attention! Not suitable for children under 36 months.
