Product Description

Dungeons & Dragons - Dungeon Master's Guide, Game Master's Guide (DE edition), 320 pages

The gamemaster's manual gives you inspiration and ideas to ignite the spark of your imagination and create worlds full of adventure that your players can explore and will delight. In this volume you will find advice and hints on creating the world as well as many other ideas for creating challenging vaults and adventures. In addition, it contains optional game rules, hundreds of magical items and numerous additional tools that are helpful to you as the game master.

Warning! Not suitable for children under 36 months.
