### Product Description

Mixed double 2 - The memo game for word acrobats, for 2+ players, ages 16+

With 36 new word-image pairs, again created in the fruitful cooperation between the publisher MeterMorphosen and the Süddeutsche Zeitung Magazin. The linguistic game nights can continue, and SZ-Magazin is still happy to receive submissions when the readers think of a new language diamond: It doesn't always have to be clothes (i.e. Klomatte)! So that both games can be combined, the back of the card has remained the same. For the ultimate master game according to the taste of the buyer or recipient

Warning! Not suitable for children under 36 months.
