Product Description

Flippermania, board game, for 1-4 players, ages 10+ (DE edition)

Flippermania brings the excitement from the pinball arcades to the gaming table - without any quick reflexes! The players juggle the ball between the bumpers, hit drop targets, unlock skill shots, activate the multiball and even play a few mini-games on the back glass at the same time. The ball is almost out? Sometimes it can help to "nudge" the table a little, but just don't tilt it too much! Whether alone on the hunt for the next high score or simultaneously with several players, where everyone has the same dice and machines at their disposal - a Roll & amp; Write has never been so themed! The four different game boards each come with their own challenges and bonuses.

Each round in Flippermania two dice are thrown, which represent the possible movements of the "ball". Each player must now select one of the two results for himself and draw it in the appropriate place on his game board. With this, the boxes of bumpers and various targets are gradually filled and the ball slowly moves from the top to the bottom areas of the playing field. With the help of the flipper arms, it can be lifted back up at the right moment. Whoever has collected the most points at the end wins.
