Product Description

Vikings Gone Wild - Ragnarök, board game for 2 - 4 players, ages 10+ (DE extension)

The expansion "Ragnarök" brings a solo and a cooperative mode for Vikings Gone Wild. In Vikings Gone Wild you become the leader of a clan that fights against the other players to prove to the gods which of you has the biggest clan!

You get victory points for attacking other players, defending them successfully, upgrading your town hall and completing missions. The game ends as soon as a player has reached 40 or 30 victory points, depending on the number of players.

In each round you play the cards in hand to buy units or defense cards, erect buildings and attack other players. You have to find the right balance between investing in your economy (buildings, special cards) and growing your army!

Attention! Not suitable for children under 36 months!

- Players: 2 - 4 players, ages 10+
- Duration: 45 - 90 minutes
