Product Description

OMFG - Card game, for 3-8 players, from 18 years (DE Edition)

This is perhaps the rudest, most shocking, but also funniest bluff game you have ever played! Can you tell the facts from fiction? In this game you are going to learn some embarrassing and baffling facts - but to win this game it is not what you know that matters, but how you tell it! Tell the truth (which often sounds stranger than the "alternative" facts) or pull out a real deception. Choose from the scandalous, but strangely believable "facts" on the card, or give them wings with a double bluff that could make your points soar! Do you have what it takes to fool your friends?

A party game for adults who are not easily embarrassed.

Attention! Not suitable for children under 36 months. Legal minimum age: 18, legal maximum age: 99

- Number of players: 3-8
- Age: from 18 years
- Playing time: 40 minutes
