Product Description

Gamegenic - inner sleeves - transparent (100 sleeves)

Playing and collector cards are very valuable and deserve additional protection. These inner sleeves provide this type of additional protection. They are used inside the standard sleeves (sleeve within the sleeve) to protect the cards from dust, dirt or other damage (e.g. frequent shuffling). The inner sleeves are supplied in an exact size so that they fit perfectly around standard size playing cards. A pack contains 100 inner sleeves, which are also suitable for larger card formats.

- Case size: 64 x 89 mm
- Card size up to: 63 x 88 mm
- Number of pieces: 100 sleeves per pack
- Material: polypropylene
- Type of packaging: OPP bags
