### Product Description

#### Games Lair 400+ black/orange (EXCLUSIVE LINE)

"The next BIG thing!" This is what everyone has been waiting for: a large premium box, perfectly suited for standard size cards. With the additional and innovative features, you'll be perfectly equipped for the next game night.

This multifunctional Premium Box holds up to 400 double-sleeved cards or 540 single-sleeved cards. Two removable drawers with ingenious magnetic flaps promise easy access to cards, tokens or entire decks. The top compartment can be used for played cards, additional accessories or even dice.

With the popular CONVERTIBLE system, you save space on your table by simply attaching the lid under the box. Strong magnets in combination with the innovative locking system guarantee secure protection even when the box is shaken.

This EXCLUSIVE LINE is equipped with black Nexofyber surface material and a vibrant microfibre lining.

Attention! Not suitable for children under 36 months.
