Product Description

Prime Sleeves, purple, 66 x 91 mm (100 Sleeves)

Card-sleeves are an essential requirement to protect your valuable gaming cards. These Prime Sleeves provide a premium protection for standard-sized cards and prevent them from bent corners, scratches or damages by frequent shuffling. Due to their fine, matte back side players will experience a great shuffle feel and don't to have struggle with slipping deck staples. The sleeves are optimized in size to ensure a professional protection and work perfectly for double-sleeving (sleeve-within-sleeve). One pack contains 100 sleeves, matching also larger deck formats.

Attention! Not suitable for children under 36 months.
