Product Description

Matte Prime Sleeves, lime (100 Sleeves)

Card-sleeves are an essential requirement to protect your valuable gaming cards. These Matte Prime Sleeves provide a premium protection for standard-sized cards and prevent them from bent corners, scratches or damages by frequent shuffling. The matte front blocks annoying reflections at the sleeves, to ensure that the card is visible from all sides and avoiding symptoms of eye fatigue during gameplay. Due to their fine, matte back side players will experience a great shuffle feel and don't have to struggle with slipping deck staples. The sleeves are optimized in size to ensure a professional protection and work perfectly for double-sleeving (sleeve-within-sleeve). One pack contains 100 sleeves, matching also larger deck formats.

Attention! Not suitable for children under 36 months.
