Product Description

War Mammoths - A Song of Ice & Fire, from 14 Years (Expansion)

There are innumerable strange creatures north of the wall. Huge, fur-covered elephants, wrapped in heavy armor and spikes, marauding across the battlefield, seem more like the stuff dreams are made of. Unfortunately, these beasts are all too real to the enemies of the Free Folk and they are heading south.

The War Mammoths expansion for A Song of Ice & Fire: Tabletop Miniatures Game offers Free Folk players massive new miniatures to add to their army. The Free Folk are already known for their unconventional units. The War Mammoths are absolutely no exception here. But be careful, because a startled war mammoth in the middle of the front line can pose a threat to both sides.

An A Song of Ice & Fire - Free Folk - Starter Kit is required.
