Product Description

Las Vegas Royale - dice game (GB, FR, DE - edition)

All players of the Las Vegas craps game promote their luck in the casinos. You visit different casinos and win more and more dollars litter after lump! Whoever has made the most money after three rounds is the winner of this board game and King of Las Vegas! Now the new game form "Las Vegas Royale" provides even more excitement and entertainment: There are also individual boards in the casinos, with which you can earn even more money. Or, even better, annoy your teammates.

Las Vegas is a gleeful dice game, with simple rules and two different types of game. The board game sub-brand alea by Ravensburger is particularly popular with strategists. They are characterized by a particularly strong replay appeal and compact game mechanics. In addition, several alea games have already been awarded national and international prizes.
