Product Description

The Castles of Burgundy - board game (GB, FR, DE edition)

The Loire Valley in the 15th century. As influential princes, the players do everything in their power to flourish their lands through deliberate trade and change. Two dice give them the options, but ultimately only the players make the decisions. Whether trade in goods or livestock farming, whether urban development or progress in knowledge, many different paths lead to prosperity and reputation for your own principality!

An exciting strategy game for everyone looking for new challenges and long-lasting fun!
