Product Description

Raccoon Robbers - Board game, for 2 to 4 players aged 8 and up (DE/EN edition)

Wild raccoons lay siege to the city! In Raccoon Robbers, the raccoons go in search of food. They skillfully climb up houses and make a daring leap into the backyard. "Don Raccoon", the boss of the gang, is already waiting there. He has only one goal in mind: the golden dustbin! There's already a lot of fighting and shoving going on, because as we all know, friendship ends when it comes to food!

In Raccoon Robbers, the players and their raccoon boss try to be the first to reach the golden dustbin. To do this, they use cards to climb up the 3D houses with their raccoons. Points are awarded for daring jumps, which can be used to move the raccoon boss. But be careful, as cute as raccoons look, when they get the chance, they push the opposing raccoons out of the way without hesitation. All the better if this causes other raccoons to tumble down with them and clear the way.

Attention! Not suitable for children under 36 months.
