Product Description

Trek 12 - Card game, for 1-50 players, from 8 years (DE edition).

Embark on a journey to the Himalayas. Discover new routes to the peaks. Carefully explore the surroundings and carefully mark out your routes. But beware of the dangerous passages. If you manage to keep your nerve and make the right decisions, you can increase your reputation and perhaps even become the next legendary alpinist.

Trek 12 is a "roll & write" mountaineering adventure for daring players. Choose the right combination of dice to unlock the smartest route to the peaks of the Himalayas. Three different game modes allow any player - from beginner to expert - to get started. Particularly exciting is the "Expedition Mode", in which you receive new equipment for further play after completing various challenges.

Attention! Not suitable for children under 36 months.

- Players: For 1 - 50 players aged 8+
- Game duration: 15 - 30 minutes
