Product Description

Unlock! Escape from the Catacombs - Escape book (EN edition).

Something is rotten at Alex's new school in Paris. He discovers strange signs in the school building. In addition, a rumour is circulating that years before a student was walled up in the school's basement. Is this really true? Together with four other adventure fans and you, Alex sets off in search of clues in the dangerous catacombs of Paris. Solve tricky riddles, decipher hidden objects and decide for yourself which path to take. If you fail, you may be trapped in the catacombs forever.

Action, suspense and lots of secrets: a fast-paced puzzle book for children aged 10 and up!

Age: for children from 10 years
