Product Description

People Eater Metallic Acrylic Paint 20ml Bottle

Coming out of the sky with a long horn and a big eye. A fully saturated royal purple metallic that looks best over a black base coat.

Turbo Dork paints are made from a mixture of pigments suspended in an acrylic medium and additives that make them fast drying, water soluble when wet and water resistant when dry. The metallics contain pigments and small mica flakes that create a glitter effect on the paint surface and make it look like metal.

They are suitable for use with the airbrush, but can also be applied by hand.

Caution. Not suitable for children under 36 months.

- Size: 20 ml
- Colour: People Eater Metallic
