Product Description

Gamegenic - Value Pack Standard Sleeves - Transparent (200 sleeves)

You can never have too many sleeves! - The Standard Card Game Value Pack contains 200 standard size frosted sleeves to safely store a large number of playing cards. The sleeves ensure professional protection for large decks or board games and meet the same quality standards as all Matte Board Game Sleeves. Their matt lamination prevents annoying reflections, ensures excellent visibility of the cards from any angle and counteracts eye fatigue while playing. With a thickness of 100 microns, these sleeves also add weight and stability to your cards.

Caution! Not suitable for children under 36 months.
