Product Description

Air Starter Set

The Warpaints Air Starter Set is a fantastic way to start your collection of airbrush paints. With a select starter palette of some of the most common and clear shades for airbrushing, the set allows you to get started from the moment it is unpacked.

The colours are of unparalleled quality as the specially selected and ultra-filtered vibrant pigments offer high opacity. This, combined with a very stable and unparalleled resin solution, is colour science at its best! To make the job easier, Warpaints Air is already equipped with two steel mixing balls.

- 12 Warpaints Air
- Airbrush-ready colours straight from the bottle
- Preloaded mixing balls
- Developed according to the Colour Triad System

Attention! For home use only. Use under direct adult supervision. Not suitable for children under 12 years.

- Size: 12 cm x 10 cm x 2 cm
- Weight: 620 g
