Product Description

Diorama Effects - Light Brown Mud, 200 ml

Another colour series specially developed to perfectly represent age and weathering on models and in dioramas.

Light Brown Mud, the colour of mud found on alkaline soils, in dry climates of the desert and in Mediterranean areas that easily absorb moisture due to their sandy nature.

Caution. Use under adult supervision. Not suitable for children under 12 years.

- Colour: Light Brown Mud
- Size: 200 ml
