Product Description

Codenames Undercover, quiz game, for 4-8 players (DE edition).

The cheeky party game! The exciting puzzle game for clever agent teams with dirty minds.

Codenames Undercover is a non-adult version of the award-winning party game Codenames. Each team has to find certain words, as agents of their colour are hidden behind these codenames. Only the respective secret service chiefs of each team know the words they are looking for and must put their team on the right track with clever clues. However, they are only allowed to reveal a little. The team that finds all its agents first wins.

Codenames Undercover can be mixed with the Codenames cards!
