## Product Description

Ankh - Guardians Set, board game, for 2-5 players, from 14 years, (DE expansion).

The Guardians Set for the strategy game Ankh: Gods of Egypt introduces a new group of Guardians ready to assist the gods in their quest.

Most of these Guardians are terrible demons with malevolent abilities that the gods would much rather have at their side than in action against them. With the introduction of new Guardians, there are new options to choose from, increasing the possibilities for different combinations and interactions in each game. The mere presence or absence of each guardian will shape the landscape of the games.

The base game Ankh: Gods of Egypt is required to play the expansion.

Caution. Not suitable for children under 36 months.

- Number of players: 2-5
- Game duration: 90 + minutes
- Age: from 14 years
