Product Description

Twilight Inscription, board game, for 1-8 players, from 14 years (DE edition).

Twilight Inscription is an epic "roll & write" game set in the Twilight Imperium universe. Each of you plays one of the 24 major factions of the universe, setting out from your homeworld to leave your mark on the galaxy. All of you are trying to gain supremacy in the galaxy through technological superiority, military might and economic achievement. The most important components are the large-format boards on which you draw and write with wipeable chalk pens. In the course of the game, you make various marks on your boards in order to collect as many victory points as possible and thus win the game.
