Product Description

The Witcher Dice Set: Ciri - The Zireael

A sword and a symbol. Inspired by The Witcher franchise, this dice set is dedicated to Cirilla Fiona Elen Riannon, who had a sword named Swallow - Zireael in Elder Speech. The set contains 7 polyhedral dice, and a metal coin featuring Ciri's depiction. Each die has black material with pale yellow engravings. The highest value faces, and coin reverse, are adorned with the School of Cat symbol.

During her stay in the Kaer Morhen fortress, Ciri trained sword fighting under the watchful eye of witchers, so that she could face the dangers of the outside world. Later, during her travels, she received a masterfully crafted sword, which he named the Swallow - Zireael in the Elder Speech...

This is who this special dice set in a black and pale yellow colour theme is dedicated to, carrying a clear font of digits, cosmic engravings, and the School of the Cat symbol decorating the highest faces. The coin featured in the set also shows this symbol on the reverse, while the obverse is adorned by the side-profile of Ciri's scarred face.

The Witcher is more than a profession or a single character. The Witcher is an entire universe created thanks to the stories of Andrzej Sapkowski, in which choices and motives are never simply black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it later became the basis for video games, comic books, tabletop RPGs, as well as movies and TV series. If you know The Witcher from any of these sources, you know how enthralling this universe is. For us - people who grew up with the stories from the world of The Witcher - the possibility to create dice based on its famous and beloved characters is an honour. We have taken our time to carefully consider all the possibilities of both designs and colour themes - now visible to you in the form of the final product. These dice are born from passion, and we're proud that the person to receive them is someone who can appreciate them as much as we do... That someone being you...
