Product Description

A Song of Ice & Fire Drowned Men, for 2 players, age 14+.

Clad in robes of coarsely woven fabrics in the colours of the ocean, the priests of the Drowned God are equipped solely with their unwavering faith. Their armament consists of flotsam that the tides wash up on the storm-tossed shores of the Iron Islands. Their presence on the battlefield raises the morale of their allies, signalling unmistakably the blessing of the one God to whom they must prove themselves.

The unit expansion A Song of Ice & Fire - The Drowned Men provides players of House Greyjoy with a strong support unit. Their strong faith enables them to survive even hits that would have been fatal to others. However, an experienced commander knows that positioning them not on the front line but as support directly under and protected by the troops ensures that the Drowned God's blessing is distributed evenly among all units.

Note: A Song of Ice & Fire - Greyjoy starter set is required to play the expansion.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.

- Number of players: 2
- Age: 14 + years
- Duration: 45+ minutes
