Product Description

A Song of Ice & Fire - Ironborn Reavers, for 2 players, age 14+.

The infamous Ironborn Reavers are known as raiders and pirates along the coastlines of the Seven Kingdoms. The sight of the marauders' distinctive longships fills anyone who spots them on the horizon with dread. Although they are sailors through and through, the Ironmen wear light chain armour even on the ship. They can attack quickly, but are not skilled at holding their own under heavy attack. Your army commander would do best to keep them away from the front line.

The unit expansion A Song of Ice & Fire - Ironborn Reavers brings a total of 13 miniatures to the popular world of the epic tabletop game. Included are a captain of the Ironborn Reavers, a standard bearer of the Ironborn Reavers, eleven Ironborn Reavers as well as a reinforcement card, a unit card and a movement tableau.

Note: A Song of Ice & Fire - Greyjoy starter set is required to play the expansion.

Caution. Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
