Product Description

A Song of Ice & Fire - Harlaw Reapers (Reapers of House Harlau), for 2 players, age 14+.

Although a scythe is not normally a weapon of war, the infamous Reapers of House Harlau have developed a heavy bearded axe with a long blade reminiscent of their fearsome crest. The reapers themselves are lightly armoured troops known for their deadly ferocity. What good is the best armour if the morale of their enemies is completely broken? When it comes to sowing terror on the battlefield, there are few who can match the Reapers.

The unit expansion A Song of Ice & Fire - Harlaw Reapers brings a total of 13 miniatures to the popular world of the epic tabletop game. Included are a warsworn, a standard bearer of the Reapers of House Harlau, eleven Reapers of House Harlau as well as a reinforcement card, a unit card and a movement tableau. Note: A Song of Ice & Fire - Greyjoy starter set is required to play the expansion.
