Product Description

The Witcher Dice Set: Geralt - The White Wolf

A legendary witcher. Inspired by The Witcher franchise, this dice set is dedicated to Geralt of Rivia — also known as Gwynbleidd, the White Wolf. The set contains 8 pieces; 7 polyhedral dice, and a metal coin featuring Geralt's depiction, which acts as a D2. Each die is painted pearl-white with brown engravings. The highest value faces and coin reverse display the Wolf School symbol.

Geralt of Rivia, a professional monster hunter with hair white as milk, is also known as the Butcher of Blaviken. The reputation preceded him in many places, often failing to do justice to the truth, but he did not allow it to define him. Fortunately, there were other terms that also described him, but made a better impression. One such term was Gwynbleidd, which in the Elder Speech means the White Wolf. And this nickname suited Geralt much more.

This is who this special dice set in pearl-white and brown color theme is dedicated to, with a clear font of digits, engravings presenting witcher signs, and the highest dice faces decorated with the Wolf School symbol. The coin attached to the set also shows this symbol on the reverse, while the obverse is ruled by the side-profile of Geralt's grizzled face.

The Witcher is not only a profession, it is not only a character. The Witcher is a whole universe created thanks to the stories of Andrzej Sapkowski, in which the choices and motives are never black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it became the basis for later comic books, video games, tabletop role-playing games, as well as movies and series. If you know any of these sources, you know how addictive this universe is. You understand why for us - people who grew up on stories from the world of The Witcher - it's so important and dignifying that we have the possibility to create dice based on famous and beloved characters from it. We have long and carefully considered all the possibilities of both designs and color themes - and you are now able to see the final product. This creation is born of passion, and we're proud that the person who will receive them is you. You - someone who can appreciate them as much as we do...
