### Product Description

#### The Witcher Dice Set: Yennefer - Lilac and Gooseberries

A familiar scent. Inspired by The Witcher franchise, this dice set is dedicated to Yennefer of Vengerberg — a sorceress fond of the lilac and gooseberries scent. The set contains 8 pieces: 7 polyhedral dice, and a metal coin featuring Yennefer's depiction, which acts as a D2. Each die is painted lavender with white engravings. The highest faces and coin reverse share imagery with Yen's pendant.

Yennefer of Vengerberg is above all a woman of class. Though she was not tall, she was able to dominate the surroundings with her effortless grace and elegance. She always dressed in black and white, which emphasized both her pale skin and raven-black hair cascading down her shapely shoulders. With the help of special perfumes, she gave them a subtle scent of lilac and gooseberry, which many people have associated with her since then.

This is who this special dice set in the colors of lavender and white is dedicated to, with a clear font of digits, engravings stylized as magic portals, and the highest dice faces decorated with the symbol of the Obsidian Star. The coin attached to the set also shows this symbol on the reverse, while the obverse is ruled by the side-profile of Yen's beautiful face.

The Witcher is not only a profession, it is not only a character. The Witcher is a whole universe created thanks to the stories of Andrzej Sapkowski, in which the choices and motives are never black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it became the basis for later comic books, video games, tabletop role-playing games, as well as movies and series. If you know any of these sources, you know how addictive this universe is. You understand why for us - people who grew up on stories from the world of The Witcher - it's so important and dignifying that we have the possibility to create dice based on famous and beloved characters from it. We have long and carefully considered all the possibilities of both designs and color themes - and you are now able to see the final product. This creation is born of passion, and we're proud that the person who will receive them is you. You - someone who can appreciate them as much as we do...
