Product Description

The Witcher Dice Set: Yennefer - The Obsidian Star

Focus on the star. Inspired by The Witcher franchise, this dice set is dedicated to Yennefer of Vengerberg - the raven-haired bearer of the Obsidian Star. The set contains 8 pieces; 7 polyhedral dice, and a metal coin featuring Yennefer's depiction, which acts as a D2. Each die is painted black with silver engravings. The highest value faces and coin reverse share imagery with Yen's pendant.

Yennefer of Vengerberg was not one to willingly and effusively share her past or secrets. Being a sorceress, she belonged to a group of proud, beautiful, and self-esteemed women. There was always a marigold on her slender neck, with a star made of obsidian, with dozens of small diamonds embedded within. For many, this amulet was a subject of speculation, as its origin was a mystery, but it was known that it was infused with magic.

This is who this special dice set in the colours of the raven-black and silver is dedicated to, with a clear font of digits, engravings stylized as magic portals, and the highest dice faces decorated with the symbol of the Obsidian Star. The coin attached to the set also shows this symbol on the reverse, while the obverse is ruled by the side-profile of Yen's beautiful face.

The Witcher is not only a profession, it is not only a character. The Witcher is a whole universe created thanks to the stories of Andrzej Sapkowski, in which the choices and motives are never black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it became the basis for later comic books, video games, tabletop role-playing games, as well as movies and series. If you know any of these sources, you know how addictive this universe is. You understand why for us - people who grew up on stories from the world of The Witcher - it's so important and dignifying that we have the possibility to create dice based on famous and beloved characters from it. We have long and carefully considered all the possibilities of both designs and colour themes - and you are now able to see the final product. This creation is born of passion, and we're proud that the person who will receive them is you. You - someone who can appreciate them as much as we do...
