Product Description

Dwarven Beige & Black Basic, Dice Bag

We have a variety of bags specially prepared for your dice. Whether you are a fan of zombies, elves or fighting games, we have something for you!

The dwarves are masters of many crafts, including making the best dice bags ever. This project was coordinated with people from one of the last dwarf clans in the North. Luckily there are only a few of them in Scandinavia and they only work with the best designers. We invested a lot of time to convince them to work with us. We are proud that they have agreed to help us.

This is a simple but very durable beige model of our dice bags from the dwarf series, with only black print. The simple die bags are an inexpensive option for beginners. They are made of thinner fabric and have the string on one side only.

Caution. Not suitable for children under 36 months.
